Past Events

Christmas Gymkhana

Numbers for the gymkhana were somewhat disappointing, however everyone that attended had a brilliant time, we introduced some new, rather more interesting games and events, such as bare back races! Which gave the day some extra excitement!

Clear Round Jumping and Cross Country

Our clear rounds have been well attended over the winter months, unfortunately January's clear round had to be abandoned due to a frozen school, but the cross country course seems to be proving to be more and more popular, riders are reminded that they must sign in and out when using the course and body protectors must be worn.

Winter Showjumping.

The Club made a decision to move the show jumping competition, from January to March after a run of very bad weather, the competition ran on the 1st of March and was a HUGE success! We had Beautiful weather and nearly 40 horses that took part. Parking was a bit of a squeeze but there were lots of smiling faces by the end of the day.
